E-Newsletter for the Month of June 2022

"When you are doing any work, do not think of anything beyond. Do it as worship. As the highest worship and devote your whole life to it for the time being."

- Swami Vivekananda

Dear Students and Parents,

A school is not only to pursue academic excellence but also to motivate critical thinking among the students and to make them proactive members of society. We at BFIS always try to provide our students with an atmosphere for multifaceted development, where pupils are encouraged to multiply their potential in the era of excellence. Here, learning is activity-based and inculcates a scientific temper and a spirit of free enquiry.

We are thus constantly improving our teaching methods so that it turns learning into a combination of classroom study, research, and scientific discovery. While academic excellence is our major thrust, the school is also devoted to preparing our students for life, grooming them to face the challenges of tomorrow, and encouraging them to be socially relevant. We are not educating our students for the result but for society so that they can make the world a better place to live.

Furthermore, I would ask all my lovely children to be nature lovers, spend some time with nature and reduce the use of plastic. In the end, I wish you an abundance of joy, laughter, and love.

Best Wishes

DR JAY KUMAR SINGH
FOUNDER PRINCIPAL

**“WORLD’S LARGEST AND LONGEST ENVIRONMENT ONLINE EVENT-24 HOURS NON STOP”
KEEP THE OCEANS BLUE, THE PLANET GREEN, AND THE ANIMALS SAFE.**

Brookfield International School always strives to be the best and remains on the top to raise global issues and concerns. In continuity with these efforts, BFIS, with the collaboration of Act Now, an Indian NGO working for environmental awareness and climate action, organised #OnlyOneEarthActNow - the 3rd edition of the 24-hour long virtual webinar to celebrate the World Environment Day on the 4th and 5th June 2022. It is a day that reminds everyone on the planet to get involved in environment-friendly activities.

The largest and unique event gathered organisations and individuals from over 100 countries and about a million audience to present their climate actions, share their insights, and generate awareness about how we can be geared towards restoring our environment and taking care of the only planet we know!

The event was inaugurated with the lighting of the lamp at the hands of Mr Manav Singla, the Hon'ble President of Brookfield International School and Dr JK. Singh, Founder Principal of Brookfield International School in the presence of Mrs Pratibha Prahlad Padmsheree Awardee Eminent Danseuse. The Web Symposium brought together individuals and organisations, the thinkers and the doers, from around the World. The charismatic speakers inspired everyone with their ideas and thoughts on healthy life on the planet, reverse degradation of grasslands and wetlands, the potential of the blue economy and sustainable life on earth.

FIT INDIA FREEDOM RIDER CYCLE RALLY

“Azadi Ka Amrit Mahotsav Manaye, Chalo Cycle Chalaye”. On World Cycle Day 2022, on 11th June 2022, Brookfield International School joined India’s largest youth organisations, NYKS and NSS, under the aegis of the Ministry of Youth Affairs and Sports, under the banner of Fit India Movement, bringing the opportunity for #BFISIANS to celebrate Freedom through a week-long festival of cycling where age is no bar, everyone interested was invited & given a chance to ride the cycle & join in the Annual Rally.

Cycling can play the biggest role in the Fit India campaign. On World Bicycle Day, A clear message was passed by this rally that everyone should make cycling a part of their daily life. Cycling will keep you healthy and help build a clean India.

On world bicycle day, joining hands with the country & thousands of cyclists Brookfield International School have joined in for the camping for fit India movement, Khelo India movement, Clean India movement and Health India movement. By using the bicycle, all promised to cut down the pollution level, stay fit, and promote the clean India campaign because there will be less pollution or no pollution through the use of bicycles.

HAPPY FATHER'S DAY

"The greatest storms in a child's heart are calmed by the loving waves in the sea of father's love. A hero is someone who gives without thought of himself, and fathers prove to be those heroes for their little ones." To enhance children's and their kids' bonding, BFIS devised different Father's Day activities.

Hand Printing with Fathers, photo frame making and salad making activities for the children of Pre Nursery, Nursery, LKG and UKG, respectively.

INTERNATIONAL DAY OF YOGA

“Exercises are like prose, whereas yoga is the poetry of movements. Once you understand yoga’s grammar, you can write your poetry of movements.” Yoga postures, Pranayama and meditation, are effective techniques to release stress. Meditation is relaxation and rejuvenates the body and mind. With this aim in mind, a workshop was organised on the 8th International Day of Yoga (IDY), 21st June 2022, for the students and teachers of Brookfield International School, through a virtual platform. As the 8th IDY fell in the year of Azadi ka Amrit Mahotsav, under the guidance of the Ministry of AYUSH, the Government of India, it was a great platform to participate with many across the country. The yoga instructor, Mr C.V Ravindranathan, took the yoga session with great dedication. The students participated with entire interest, enthusiasm and eagerness.

The session began by seeking the blessings of the Almighty by chanting the “Om Mantra”. Asanas starting with warming up and stretching were followed by a series of Padmasana, Sukhasana, Tadasana, Bhujangasana and many more. Various exercises were done to reduce stress and correct the posture. Along with this, an online competition was held where students got a chance to showcase their talent. There was a drawing, slogan writing, poster, and painting competition. Each one of the students participated with great zeal and got certificates for the same.

The Principal, Dr JK Singh, motivated the staff and students and conveyed the importance of making yoga an integral part of our daily life by extending the practice of yoga beyond the mat. The session was very refreshing, reviving and relaxing.

TEACHERS TRAINING SESSIONS

Brookfield International School doesn't believe in the 'one size fits all policy and thus conducts custom-designed workshops for the teachers on myriad topics in line with the need assessment of the school teachers.

The workshop by Ms Puja Sharda was conducted on Tuesday, 28th June 2022 @BFIS as a teachers' development workshop. The aim was to make teachers aware of in-depth knowledge of NEP (नई शिक्षा नीति), 2020, & the significant step forward towards shifting focus on skill-building, developing competencies, and getting students ready for the future.

A workshop by Mr Sunil Kumar Kala was held on 29th June 2022. The aim of the Professional Development Workshop was designed to stimulate innovation in teaching and learning approaches. And educate the educators to facilitate unlearning and relearning of appropriate pedagogical skills in the exceedingly volatile 21st Century classrooms.

Teachers were impressed by these impactful workshops and plan to implement these strategies in their upcoming classes.
