

BROOKFIELD INSIDER

SEPTEMBER 2022

E-Newsletter for the Month of September 2022

**“Give a man a fish
and you feed him for
a day; teach a man to
fish and you feed
him for a lifetime.”
—Maimonides**

Dr Jay Kumar Singh

Formal education is about gaining the knowledge and skills needed to become a better person and create a better society to live in. At **BFIS**, we aim to provide a comprehensive and global approach to the children to make them well-equipped to face the cutthroat competition in every walk of life mentally, physically and emotionally.

We strive to acquaint the children with the rich cultural heritage of our nation and help them grow as good and responsible citizens. **BFIS** also strives to make the students morally and ethically strong, instill in them good habits, and make them ready to face the world's challenges!

PRINCIPAL'S ADDRESS

“Let your child build up a dream and we will help your child realize and cherish his dream”.

PINK COLOUR CELEBRATION

The colour pink symbolizes charm, sensitivity, tenderness and politeness. It's a delicate colour associated with flowers and babies. Bubble gum pink, baby pink, and cotton candy pink are a few different shades of pink which were observed on the day. Activities like tearing and pasting, Thumb Painting, Mystery Box Activity and Show and Tell activity were organised for our little ones. Kindergarten wore a look of Pretty Pink.

Pink like the berries
 Pink like the juice made
 of cherries.
 Pink like a fresh rose.
 Pink like the fuzzy rug
 under my toes.

PTM GRADE I-XI

Brookfield International School organised a PTM for students of Grade I to XI on the 3rd and 10th of September 2022 to discuss students' performance with their parents. It was a significant interaction between the teacher and the parents for the development of their children, where they discussed the strengths and areas of improvement. The union of the teacher's feedback and parent's concern can immensely help a child's educational journey, and this is what we at Brookfield aim for.

“Children are the priority. Change is the reality. Collaboration is the strategy.” – Judith Billings.

TEACHERS' DAY CELEBRATION

The students at Brookfield International School organised an event on the occasion of Teachers' Day, which is celebrated on the birthday of Dr Sarvepalli Radhakrishnan on 5th September. Grade X and IX students conducted a special assembly and organised a few games to surprise the teachers. In addition, there were dances and skits organised to highlight teachers' importance in a student's life. The conscientious Principal Dr Jay Kumar Singh appreciated the hard work and dedication that the teachers of BFIS are putting into preparing the world's future and making it a better place.

"A good teacher can inspire hope, ignite the imagination, and instill a love of learning." – Brad Henry

Connection with Grandparents is the first bond of young children's lives apart from the ones with their parents. They are a little bit parent, a little bit teacher and a little bit best friend.

GRANDPARENTS' DAY

Grandparents' Day is an opportunity to show our love and appreciation for all the things Grandparent do for their Grandchildren. It is a special day for connecting with family and a reminder of senior citizens' role in raising children. Grandparents play a pivotal role in our society and this special day honours all Grandparents for their wisdom, unconditional love and contributions. Children with strong relationships with their grandparents tend to be happier and healthier and foster a sense of security and belonging. Grandparents are a child's link to their past, bringing history and tradition to life. They pass on valuable information about culture, heritage, traditions and world understanding. Our little munchkins made beautiful cards for their grandparents and shared adorable pictures with them. Teachers told them about the various ways in which little ones can help their grandparents at home.

HINDI DIWAS

हिन्दुस्तान की है शान हिंदी, हर हिन्दुस्तानी की है पहचान हिंदी, एकता की अनुपम परम्परा है हिंदी, हर दिल का अरमान है हिंदी.

Hindi Diwas is celebrated in our country every year on 14th of September. In fact, two years after independence, the Constituent Assembly gave Hindi the official language status on 14th September 1949. In memory of this, every year since 1953, this day is celebrated as Hindi Diwas. The students at Brookfield International School celebrated Hindi Diwas with great enthusiasm on the school premises. All the students were encouraged to bring forward the Hindi language. Various activities were scheduled in the Hindi language for all the classes. Hindi poems were recited by the students of classes I and II. Students of classes III to V made pictures on the importance of the Hindi language and students of classes VI to IX did various activities, which included dramatisation, poetry reading, speech etc. The Founder Principal Dr JK Singh congratulated the students for their exuberant performances. To raise awareness about our national language and commemorate Hindi Diwas BFIS organised different activities for the Pre-Primary kids on the day. (14th September, Wednesday). Nursery and Pre-Nursery children came dressed as Varna. Children recited Hindi Poems quite confidently.

"Better life needs better vision."

VISION TESTING CAMP

An eye check-up camp was organised in #BrookfieldInternationalSchool by 'Simply Health Plus' on 15th September 2022. Ms Pooja (Optometrist) visited the school to make the students aware of the importance of taking good care of their eyesight. The eye check-up of students from grades 1 to 6 was done during these two days of eye camp. She made them aware of the benefits of healthy eating to have a better vision. The students at Brookfield International School appreciated the advice and suggestions given by Ms Pooja.

MENSTRUAL HYGIENE AND HEALTH

MENSTRUAL HYGIENE IS A HUMAN RIGHT

“Communities and countries and ultimately the world are only as strong as the health of their females.” – Michelle Obama

Menstruation is a natural part of the reproductive cycle. However, it remains taboo and rarely discussed in most parts of the world. Ms Aaushi, DME, was invited to Brookfield International School to conduct a workshop for the girls of Grades 5-11 on Menstrual Awareness and Hygiene. Girls and women must maintain good menstrual hygiene to maintain their health and dignity. She explained the same in very simplistic terms. During the workshop, the students were told about the science behind menstruation and its myths. The girls were also taught basic hygiene that should be maintained during periods. It helped in sensitising them to various complications arising out of a lack of menstrual hygiene. In the end, a question-answer round was also conducted.

“Leadership is about making others better as a result of your presence and ensuring that impact lasts in your absence.”

–Sheryl Sandberg

INVESTITURE CEREMONY

The Investiture Ceremony of Brookfield International School for the academic session 2022–2023 was held with magnificence and dignity in a special ceremony on 28th September. The event was presided over by the founder Principal, Dr JK Singh. The Investiture ceremony signifies the reliance and confidence that the school consigns in the newly invested office bearers. Donning the mantle of accountability, they also pledge to bestow their duties to the best of their abilities.

"Leadership and learning are indispensable to each other."
