DECEMBER 2022

E-Newsletter for the Month of December 2022

December is the month of Poh, meaning a month of sacrifices. The month starts with the remembrance of Guru Tegh Bahadur Ji (Father of Guru Gobind Singh Ji), who made a supreme sacrifice - by giving his life so that people of the Hindu faith could freely practice their religion under the Mughal regime of Aurangzeb. We also observe the martyrdom of Guru Gobind Singh Ji's four sons Baba Ajit Singh Ji, Baba Jujhar Singh Ji, Baba Zorawar Singh Ji and Baba Fateh Singh Ji.

PRINCIPAL'S ADDRESS

Dear Parents and lovely students,

We are here to celebrate the many successes the children and the school have achieved this year. **2022** has been another busy year with many changes. It is an exciting time, as change is the new norm. **Brookfield International School** has a great leadership team which thrives on change, diversity and progress. The team is focused on accelerating learning, using current theory and evidence to improve professional practice. The Teaching and Learning which we are seeing at BFIS in 2022 and beyond is absolutely brilliant. The opportunities being offered to our learners is of the highest quality and meets the diverse range of learning needs.

Our learners are the ones who make our school special. Our learners are excellent ambassadors in the community, whether on festivals, community events, functions or learning excursions. You can all be relied upon to represent the school with pride and dignity! I am proud of each and every one of you.

It is important to remember, that no matter what, we celebrate, it is also important to keep on learning and continue to develop individual talents while learning to get on with others, develop problem-solving skills, and be self-motivated and inquisitive. I am also proud to reiterate that I am fortunate to be working with some of the best educators.

Finally, I thank and acknowledge the efforts of our hon'ble patron, **Mrs Neelam Singla Ji** and President of BFIS, **Mr Manav Singla** who have been instrumental in the successful completion of the year 2022. Thanks to you, next year, we will see further development and improvement in our school-something which I am excited and passionate about.

With the hope of **Brookfield International School** growing by leaps and bounds, I wish the whole BFIS Family- a great year ahead!

Regards.

BAKING FUN

Pat-a-cake, pat-a-cake, baker's man. Bake me a cake as fast as you can. Roll it, pat it, and mark it with a "B". Put it in the oven for my friends in **Brookfield** and me. When the Christmas season is near, can baking be far behind? **Pre Primary wing** enjoyed the baking activity, where teachers showed children various ingredients and utensils that increased their vocabulary further. Our little bakers tried their hands on mixing and whisking the batter. Later they enjoyed the muffins, cake slices etc., that they had brought in their tiffins.

SET THE YEAR-END WITH LOTS OF FUN...

"Gifts of time and love are surely the basic ingredients of a truly merry Christmas." It was Christmas time, and Christmas Feel was observed all around the Pre Primary wing. Classes were decorated with a Christmas theme, and students sang Christmas Carols in their classes. Santa Claus cherished this day with our little ones by visiting their respective classes. Students went home singing the Christmas jingles and were all set for their winter break.
