KNOW BETTER. THEN WHEN YOU
KNOW BETTER, DO BETTER."**

E-NEWSLETTER FOR THE MONTH OF JULY 2023

FROM THE EDITORIAL BOARD

Dear Parents and Students,

Time seems to be passing swiftly, filling our hearts with awe as we witness our students' remarkable progress so far. As we continue this meaningful journey of learning and growth, we want to express our profound gratitude to each and every one of you.

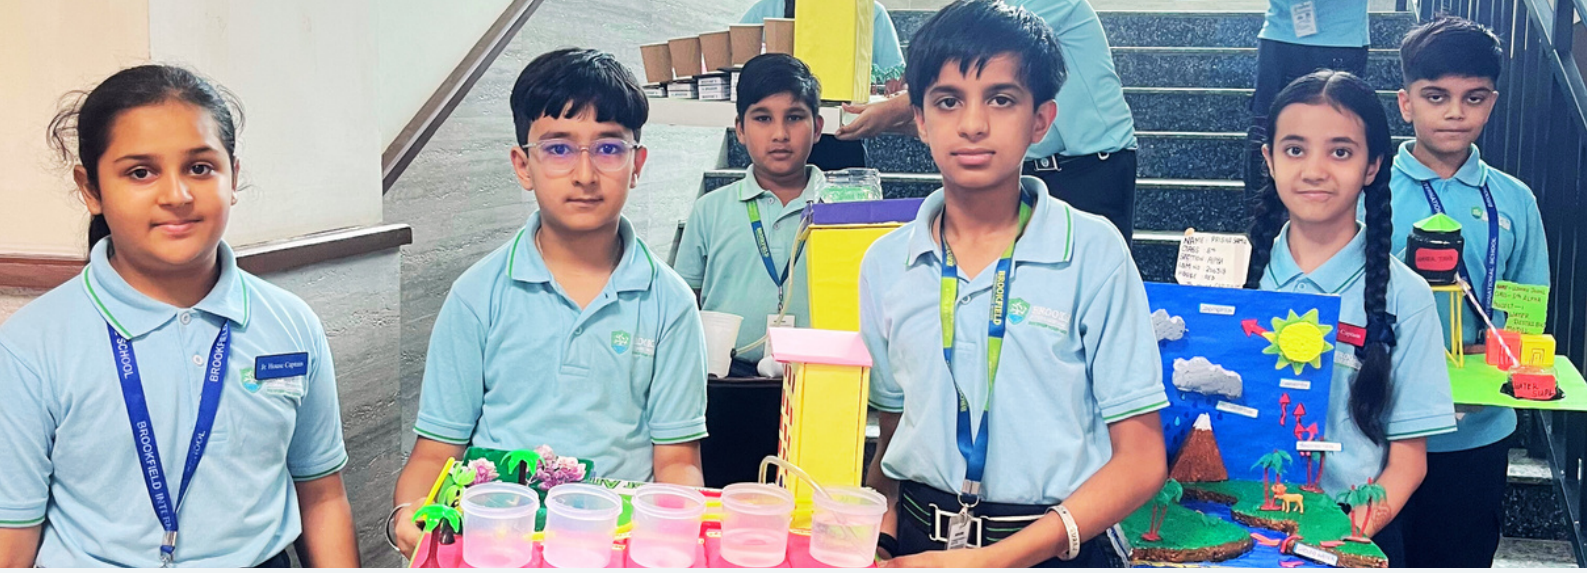

Parents, your unwavering support and active involvement in your child's education are truly invaluable. Your dedication to their learning journey deeply moves us, and it is evident in the remarkable accomplishments they have achieved.

To our beloved students, your hard work and boundless enthusiasm are truly commendable. Hard work is the key to unlocking your potential and transforming dreams into reality. Whether you excel in academic challenges, actively participate in extracurricular activities, or demonstrate kindness towards your peers, your efforts are noticed and wholeheartedly celebrated. Remember that every obstacle encountered is an opportunity to learn, grow, and emerge even stronger.

As we move forward, you can anticipate many updates on upcoming events, inspiring student features, and invaluable resources to support your educational journey. Together, let's make the next part of this academic year even more extraordinary, leaving behind indelible memories that shall forever shape our shared experiences.

With heartfelt gratitude and warmest regards,

Ms. PARAMJOT, Ms. PRIYANKA KAUSHAL & Ms. SAKSHI GERA

WELCOME BACK FROM SUMMER BREAK

"THE FUTURE BELONGS TO THOSE WHO BELIEVE IN THE BEAUTY OF THEIR DREAMS." - ELEANOR ROOSEVELT

Brookfield International School joyfully welcomed its students back on 03rd July 2023. BFISians exuded excitement as they returned from their refreshing summer vacation. The day commenced with a house assembly, where upcoming events were outlined. Subsequently, auditions for the inter-house competition were initiated to select participants. Concurrently, students submitted their project work, showcasing their efforts during the break.

Dr JK Singh, the esteemed founder principal, engaged with the students, encouraging wholehearted participation in scholastic and co-scholastic activities organised by the school. This bustling day marked the resumption of academic and extracurricular pursuits, providing students with ample opportunities to demonstrate their talents and endeavours.

MEDITATION IN MORNING ASSEMBLY

"IN THE SERENE MOMENTS OF OUR DAILY MORNING ASSEMBLY, WE DELVE INTO THE DEPTHS OF OUR SOULS."

The morning assembly is a vital platform where discipline, good habits, and values find their roots, nurturing a positive school culture and ethos. Our school's assembly embraces a holistic approach, encompassing prayer, meditation, and invigorating aerobics. This diverse combination enriches our emotional well-being and cultivates a vibrant and positive atmosphere, inspiring us for the day ahead.

"OCEANS ARE THE LIFEBLOOD OF OUR PLANET AND SOURCE OF INSPIRATION. LET'S UNITE TO PROTECT AND PRESERVE THEIR WONDERS FOR GENERATIONS TO COME."

SDG ACTIVITIES

A remarkable SDG activity on Marine Life Conservation was conducted at our school for grades VI, VII, and VIII. The aim was to raise awareness among students about the importance of marine ecosystems and the challenges they face, fostering environmental responsibility. Engaging sessions immersed students in the significance of marine life, highlighting threats like pollution, overfishing, and habitat destruction. The primary wing also participated in the SDG activity, where young learners discovered fascinating creatures and their vital role in ocean life. Children enjoyed a documentary showcasing the wonders of marine life. These initiatives exemplify our commitment to the Sustainable Development Goals and inspire our students to become compassionate stewards of our oceans.

"PROTECTING OUR OCEANS IS NOT AN OPTION, IT'S A NECESSITY FOR THE SURVIVAL OF ALL LIFE ON EARTH."

SATURDAY GETAWAY

"AMIDST THE CHALLENGES OF EDUCATION, LET US REMEMBER THAT A STRESS-FREE TEACHER CREATES AN ENVIRONMENT WHERE MINDS BLOSSOM, IDEAS FLOURISH, AND THE JOY OF LEARNING BECOMES CONTAGIOUS."

We organized a delightful "Saturday Getaway" event for the teachers at our school on 08th July 2023. The aim was to recognize their dedication while fostering camaraderie and relaxation. The day's highlight was a dance party and a scrumptious buffet lunch with diverse cuisines to cater to preferences. Teachers enjoyed the feast, fostering bonding among colleagues.

FUMIGATION AFTER FLOOD

In the face of adversity, our commitment to the safety and health of our students remains unwavering. Together, let us rise above the challenges and create a nurturing environment where learning can flourish again."

The recent floods that struck various parts of the region left a trail of devastation, impacting both human health and property. As we strived towards recovery and rehabilitation, we faced another challenge - the surge in pest problems in the aftermath. The abundance of water and refuse provided a breeding ground for pests, particularly flies like mosquitoes and filth flies. To safeguard the well-being of our beloved BFISians upon their return to school, a proactive fumigation drive was organised in and around the school premises.

"MISSION HARIALI"

In our commitment to safeguarding the environment, we embrace a humble responsibility - let us plant a tree! Trees are the foundation of life, crucial for all living beings on Earth.

On July 19, 2023, in line with the Punjab government's "Mission Hariali," Brookfield International School organised a grand tree plantation drive under the guidance of our Founder Principal, Dr JK Singh. Grades I & II students eagerly participated in "Planting Saplings with Pride." Educators enlightened young minds about the importance of trees in sustaining a green Earth and protecting us from disasters. The event was filled with festivities as students recited poems about trees, their passion for conservation shining through. The day's highlight was the "Human Tree" created by the students and staff of BFIS.

The Founder Principal, Dr JK Singh, shared valuable insights on environmental protection, inspiring the students to plant more trees around them. The school director, Mr Manav Singla, appreciated the well-organized event and praised the students' initiative. This noble gesture stands as a guiding light towards a greener Earth, securing a better tomorrow in the face of nature's challenges.

ORAL HEALTH AND HYGIENE

"A healthy smile brightens up the world around you, spreading happiness wherever you go." Grins all around! The "Oral Health and Hygiene" workshop at **BFIS** was a tremendous hit, captivating students from grades I to V. The interactive session had a clear objective: to create awareness about the significance of oral health and instil good hygiene habits right from the start. Expert dentists led the workshop, delivering informative presentations peppered with captivating visuals and engaging activities. We aspire to have nurtured a generation of students who will prioritize their oral health and uphold impeccable hygiene practices. After all, a radiant smile paves the way to a joyful life!"

HIV/AIDS PREVENTION

"The greatest power we possess is the ability to educate and inspire, and through knowledge, we can transform lives and communities."

Empowering with knowledge, lighting the way through awareness. We strive to build a world free from **HIV/AIDS**. A compelling workshop on **AIDS awareness** was organised at **Brookfield International School** for students in **grades VI to XII**. The objective was to educate and empower young minds on HIV/AIDS prevention, transmission, and stigma reduction. The workshop featured engaging presentations, interactive activities, and enlightening discussions, fostering a deeper understanding of the global impact of this disease. As the event concluded, students pledged to be ambassadors of change, promoting safe practices and empathy in the fight against HIV/AIDS.

FUTURE READY INFRASTRUCTURE SCHOOL!

"All our dreams can come true if we have the courage to pursue them." - Walt Disney

BFIS proudly added another accolade to its illustrious journey, winning the prestigious **"Best Future Ready Infrastructure School"** award at **Times2Grow 17th Educational Summit**. **Dr Jay Kumar Singh**, the esteemed Founder Principal, received the award on behalf of the school, marking our commitment to empowering students in a globally connected world. Heartfelt congratulations to our management, hon'ble **president Mr Manav Singla** and the entire BFIS family for this remarkable achievement! Dr Jay Kumar Singh was also honoured with the **Leading School Principal Award**, recognizing his rich experience and significant educational contributions. **THREE** prestigious awards were bagged by our Hon'ble Principal- **"Best Principal," "Outstanding Speaker,"** and **"Exceptional Moderator."** We sincerely thank **Times2Grow** and the Haryana Government for recognizing our efforts in creating a future-ready learning environment. Let's continue striving for excellence, ensuring a brighter future for our students!

SPELLATHON

"Spelling is more than just writing words correctly; it nurtures cognitive skills and builds resilience under pressure."

The Spellathon, an integral part of our learning process, enhances memory and cultivates effective learning techniques, providing valuable advantages in higher education. The primary wing children enthusiastically participated in the Spellathon event at school. Their spellings were meticulously judged as they wrote them down in their notebooks, fostering a love for language and literacy.

"The more that you read, the more things you will know. The more that you learn, the more places you'll go." - Dr. Seuss

FROM THE TEACHER'S PEN

Throughout this academic year, my aim as your Biology teacher is to foster a genuine passion for science and ignite curiosity about the wonders of life around us. Biology is not just a subject in textbooks; it is a living, breathing science that surrounds us daily. From the tiniest cells to the vast ecosystems, we will dive into the marvels of nature and unravel the interconnectedness of all living beings. In the classroom, we will create a nurturing environment that encourages open dialogue, creative thinking, and hands-on experiences.

As we progress through the year, I assure you that my commitment to your child's growth and success will remain unwavering. Together, we will explore the intricacies of life, stimulate curiosity, and develop critical thinking skills that will serve as a foundation for future academic and personal pursuits.

Let us embrace the wonders of biology, deepen our understanding, and cultivate a sense of responsibility towards our environment and fellow living beings.

Wishing you all a fruitful and enriching academic year ahead!

ENVIRO TIGER DAY

"The wilderness holds answers to more questions than we have yet learned to ask." - Nancy Wynne Newhall

Our school joyously celebrated **Enviro Tiger Day** on **July 28th, 2023!** Students from **Grades I to XII** actively engaged in exciting activities like **"Picture of Tiger," "Poem Recitation," "Poster Making,"** and **"Face Painting"** to promote awareness and affection for our environment and majestic tigers. Let's persist in nurturing a profound sense of responsibility towards nature. Together, we have the power to create a meaningful impact!

INTER-HOUSE MASK MAKING COMPETITION

"Every child is an artist. The problem is how to remain an artist once he grows up." - Pablo Picasso.

The school organised an exciting **Inter-House Mask Making Competition** for **grades 3 to 5** students on **July 19, 2023**. Mask making, one of the most enjoyable crafts, provided a creative platform for children to showcase their artistic skills. It ignited their imagination and encouraged them to think outside the box, promoting a culture of creativity and artistic excellence.

The children participated with great enthusiasm, crafting amazing artwork in the form of paper and plastic plate masks, headbands, and eye masks. The house teachers faced the delightful challenge of shortlisting students from each section of every class. Each mask created by the children was a visual delight, making the judging process equally challenging. The event brought joy and creativity, with all students actively participating and showcasing their talents.
