EDITORIAL BOARD

Dear Parents and Students,

Greetings from Brookfield International School!!!

Our students have demonstrated exceptional dedication, perseverance, and passion for learning this past month. It has been a whirlwind of learning, growth, and memorable experiences! From the outstanding academic achievements to the remarkable performances in extracurricular activities, we couldn't be prouder of their accomplishments. All the BFISians actively participated in a wide range of events and initiatives that fostered personal growth and teamwork. We extend our heartfelt gratitude to all the parents for their constant support and encouragement. Together, we have created a strong foundation that empowers our students to reach new heights and embrace their potential.

Furthermore, we hope our children continue to explore new interests, read captivating books, and engage in meaningful conversations. We believe that together, we can continue to inspire and empower the next generation of leaders and changemakers.

“No thief, however skilful, can rob one of knowledge, and that is why knowledge is the best and safest treasure to acquire.”

SDG ACTIVITIES

Our school conducted three SDG activities in the month of May with the themes-What are my goals? A bee is not just a bee & Our food, our world. The students were familiarized with Sustainable Development Goals, the facts about the honey bee, which is the most important insect pollinator of cultivated agricultural and horticultural crops worldwide and thirdly- good health and well being. Observing the pollination space was thoroughly enjoyed by the children. They enjoyed playing games whilst learning the benefits of a healthy and balanced diet. Class interaction on the SDG - Goal 2-Zero Hunger Goal 3-Good health and well-being was held.

Humanitarian response, sustainable development, and sustaining peace are three sides of the same triangle- Antonio Guterres.

A winner is someone who recognizes his God-given talents, works his tail off to develop them into skills, and uses these skills to accomplish his goals-

CBSE FIRST EXPRESSION SERIES; SKILL DEVELOPMENT IN INDIA

CBSE's 1st Expression Series for the session 2023-24 is based on the theme 'Skill Development in India: From Local to Global'. The students of Grades III to XII of our school participated in, painting, essay and poetry writing competition. Globalization and the need for globally-relevant skills, Skill development for an inclusive and growth sustainable economy, the Role of Education in Skill Development, Emerging industries and required skills and Local skills of my district, which I can promote were some of the themes given by the board. The students showed a lot of enthusiasm to express themselves through poetry, art and essay writing. The message and objective of these activities is summed up through this quote by Robert Sternberg, "And in order to succeed in later life, you need to develop your skills because look at how fast the world is changing."

PARENTS TEACHER MEETING

May 27, 2023

Productive collaborations between family and school, will demand that parents and teachers recognize the critical importance of each other's participation in the life of the child. This mutuality of knowledge, understanding, and empathy comes not only with a recognition of the child as the central purpose for the collaboration but also with a recognition of the need to maintain roles and relationships with children that are comprehensive, dynamic, and differentiated-

-Sara Lawrence Lightfoot

A parent-teacher meeting for **Grades X and XII** was held on **Tuesday, 06th May 2023**, and **Grades I to XII** on **Saturday, 27th May 2023**.

Parents met the class teachers and the subject teachers for detailed feedback on the progress of their children. The main purpose of these meetings is to create a common platform where parents and teachers come together to enrich the student's educational experiences and discuss various issues regarding the holistic development of students.

By pursuing education with passion and enthusiasm, our students have unlocked the doors to success. This achievement is just the beginning of a bright future filled with countless opportunities!!!

AISSE result of CBSE for the year 2023 was declared, and it reflected a remarkable achievement by the students of our school. All the Tenth Graders displayed exceptional performances and set new benchmarks for excellence.

Their dedication, patience, and expertise have played a vital role in shaping the minds of these young learners. The achievers were honoured with certificates for their astounding achievements. The students who have secured the highest marks are **Nandika Angrish - 96.8%**, **Luvleen Kaur - 95.2%**, **Ashima Sachdeva-94.4%**, **Vaishnavi Sharma-92.4%** and **Tanisha Goyal 89.2%**.

The School President, Mr Manav Singla and the Founder Principal, Dr Jay Kumar Singh, congratulated and appreciated the students for their fabulous performance.

ACHIEVERS DAY CELEBRATION

SCHOOL COUNCIL SELECTION PROCESS AND INVESTITURE CEREMONY

“A leader takes people where they want to go. A great leader takes people where they don't necessarily want to go but ought to be.”

Our motto is to create leaders of tomorrow and there is a special ceremony that turns it into reality. The school prefectorial board is formed after scrupulous interviewing and selection, which gives them a feel of the functioning of an official administrative body.

The selected students were honoured with their respective badges, such as Head Girl, Head Boy, and Sports Captain, and the student council members took an oath to work for the school faithfully. The school's **Founder Principal, Dr JK Singh**, also encouraged them to put in honest efforts for every endeavour and become an inspiration for others.

INTER-HOUSE COMPETITIONS

BASKETBALL MATCH

“Teamwork is the beauty of our sport, where you have five acting as one” – Mike Krzyzewski

The Basketball Court of **Brookfield International School** was filled with great zeal, excitement and a frolicsome atmosphere during the Inter House basketball matches, which were enjoyed by one and all.

It is about trying to strategize and also evaluate the strengths and hope while representing their respective house, which indeed motivated the students to perform better. Our school strives for the holistic development of the children and therefore, we regularly organise sports tournaments which not only help the students to remain fit but also develop a spirit of teamwork in them.

CALLIGRAPHY COMPETITION

"The art of calligraphy lies not only in the elegance of the strokes but also in the beauty of self-expression."

The **Calligraphy Competition** for students from **Grades 3 to 5** was held on **25th May 2023** at our school. This event aimed to promote the art of calligraphy among young learners and provide them with a platform to showcase their creativity and penmanship skills. The competition witnessed enthusiastic participation from students, making it a resounding success.

The young calligraphers displayed remarkable precision, creativity, and attention to detail in their work, making it challenging for the judges to select finalists. The competition served as a reminder of the beauty and significance of calligraphy, a timeless art that continues to inspire generations. **"Creativity flows from the tip of a pen, giving words wings to fly and making art timeless."**

PUPPET MAKING ACTIVITY

"Imagination is the true magic carpet." - Norman Vincent Peale

The **grade I and II** students recently participated in a delightful puppet-making activity that showcased their creativity and imagination by making sock puppets, stick puppets and cloth puppets. Guided by their teachers, the young minds brought their favourite characters to life through colourful and unique puppet creations.

The activity not only encouraged their artistic abilities but also fostered teamwork and communication skills as they shared their stories and puppet performances with their peers. The students thoroughly enjoyed this magical journey of puppetry, allowing their imagination to soar and creating unforgettable memories.

ELOCUTION COMPETITION

"A talk is a voyage with purpose and it must be charted. The man who starts out going nowhere generally gets there." Dale Carnegie.

The prominent words loiter in the Minds of those who were fortunate to witness the **Inter-House English Elocution Competition** from **grades 3 to 5** on **17th May 2023** at **Brookfield International School**. All the students participated with lots of ebullience and zeal and everyone appreciated them.

PUBLIC SPEAKING; NURTURING ORATORS & BUILDING CONFIDENCE

The **Inter-House Public Speaking Competition** was a platform where students showcased their oratory skills, eloquence, and ability to articulate their thoughts. The Competition witnessed a fierce yet friendly competition among the participants. Each speaker delivered thought-provoking speeches on various topics, captivating the audience with their confidence and persuasive arguments. Our school **Principal Dr Jay Kumar**, motivated all the students to believe in the spirit of participation and appreciated them for performing extremely well.

The event highlighted the importance of effective communication and encouraged students to express their ideas and opinions with clarity and conviction.

The Competition not only honed the oratory skills of the participants but also instilled confidence, self-expression, and critical thinking.

"Speech is power:
speech is to persuade,
to convert, to compel."

-Ralph Waldo Emerson

TRAFFIC SAFETY RULES WORKSHOP

“The future of the safety movement is not so much dependent upon the invention of safety devices as on the improvement of methods of educating people to the ideal of caution and safety.” – Walter Dill Scott.

When you drive, you're accountable for anything and anyone you'll pass up on the road, including pedestrians, your fellow drivers, your passengers and yourself, as well as inanimate and living objects around you. A workshop on traffic rules and road safety was conducted for the students on **05th May 2023** at **BFIS**.

Assistant Sub-Inspector Shri. Janak Raj sensitised the students about traffic rules . The workshop was successful in emphasizing and accentuating students about the need for safe road travel just by applying and adhering to simple rules.

WORKSHOP ON GOOD TOUCH AND BAD TOUCH

At **BFIS**, the safety and well-being of our students are of paramount importance. In line with our commitment to provide a safe and nurturing environment, a workshop on **Good Touch & Bad Touch** was conducted for junior class students. The objective was to equip them with knowledge and skills to recognize and respond appropriately to different types of physical contact.

The workshop focused on creating awareness about personal boundaries, consent, and seeking help when faced with uncomfortable situations.

The sessions included interactive discussions, audiovisual aids, role-plays, and age-appropriate activities, which facilitated the comprehension of complex concepts in a sensitive and accessible manner.

By equipping them with knowledge, skills, and the confidence to protect themselves, we are fostering a culture of safety, respect, and open communication. Through such initiatives, we strive to create an environment where every child feels empowered, safe, and supported.

"First aid is all about giving life another chance. You can be someone who can make a difference to many lives around him by learning first aid."

Safety is not a gadget but a state of mind-Safety First, Safety Always. A workshop on First Aid was conducted for all the grades from I to XII. The workshop imparted knowledge of commonly occurring situations in our day to day life.

The workshop was followed by a doubt clarification session which was dealt with by the doctor with fervor and patience. It was an interactive and educative session to equip students and teachers with skills and confidence to use first aid in real-life situations.

WORKSHOP ON "FIRST AID"

POTTER'S WHEEL

"From Clay to Creativity".

Students across all Grades Embrace Pottery as a journey of Skill Development and Artistic Expression. It's an ancient art form that dates back thousands of years and has become an increasingly popular skill for students of all ages.

From first graders to senior secondary students, all had a great time exploring their creativity and honing their craftsmanship. A unique opportunity to develop valuable skills while fostering artistic expression was provided to **BFISians**.

The hands-on nature of pottery fosters a sense of mindfulness and emotional well-being, offering students a means of self-expression and stress relief. As pottery continues to inspire and captivate young minds, it opens doors to creativity, personal growth, and potential careers in the world of ceramics.

We should preserve every scrap of biodiversity as priceless while we learn to use it and come to understand what it means to humanity-
E. O. Wilson.

DISPLAY BOARD DECORATION; THEME BIODIVERSITY

All four houses competed with each other in the display board decoration competition with the theme of **Biodiversity**. Our planet is facing major conservation challenges from threats like climate change, deforestation, overfishing, and illegal wildlife trade.

Our impact on the planet primarily comes from what we eat, what we buy, how we power our homes, and how we travel from place to place. So, through these activities, our school wants to spread awareness about the action we can take to protect the planet. Together, we can take action to create lasting solutions and protect the future of nature.

ENJOYMENT DAY

EMBRACING FUN AND FREEDOM

Enjoyment Day:

A Festive Prelude to the Upcoming Vacation

As the much-awaited vacation approaches, **BFIS** organized an exciting Enjoyment Day to set the mood for students and staff members on **26th May 2023**. The event aimed to provide a joyful and energetic atmosphere before the break, allowing everyone to unwind, engage in fun activities, and create lasting memories. The day was carefully planned, with a diverse range of activities designed to cater to various interests and age groups.

The ambience of the **Enjoyment Day** was filled with laughter, excitement, and camaraderie. The **Enjoyment Day** served as a prelude to the much-anticipated vacation, igniting a sense of anticipation and excitement. It provided a much-needed break from academic routines, allowing students and staff to recharge and rejuvenate before embarking on their well-deserved holiday.

SHOWING GRATITUDE TO "FATHERS"

Through every triumph and tear, Your love, Dad, is always near. In your embrace, I find my strength; you are my guide, my hero, at any length."

On 25th May 2023, our school organised a creative writing activity to appreciate "Fathers". The aim of this event was to encourage students to express their love,

gratitude, and admiration for their fathers through the power of words.

One by one, students stepped forward, expressing their emotions through words that touched the hearts of everyone present. The event left an indelible mark, reminding everyone of the unconditional love, support, and guidance provided by fathers

FROM THE TEACHER'S PEN

As you embark on your educational journey, I wanted to share some words of inspiration: **"The limits of what you can achieve in the world of technology are only bound by the limits of your imagination."**

In today's digital age, computer literacy and proficiency have become vital skills for success in almost every field. It is essential to cultivate a curious and creative mindset, allowing your imagination to soar beyond the boundaries of what is currently known.

So, seize this moment to explore, innovate, and push the boundaries of what you believe is possible. Embrace the power of technology and let it be a tool that amplifies your dreams and aspirations.

Wishing you a fulfilling and transformative journey ahead!
