E-NEWSLETTER FOR THE MONTH OF OCTOBER 2023

FROM THE EDITORIAL BOARD

Dear Parents and Students,

Greetings from Brookfield International School!!!

As we enter into a new month, it is important to reflect on the values we hold dear at **Brookfield International School**. One such value is the happiness of our students. Oscar Wilde once said, "**The best way to make children good is to make them happy.**" This statement holds true for our school, where we believe that happy children are more likely to succeed in all aspects of their lives.

At BFIS, we strive to create an environment where our students feel safe, supported, and happy. We believe that when children are happy, they are more likely to engage in learning and develop a love for education. This is why we place such a strong emphasis on creating a positive and nurturing school culture.

We understand that happiness is not something that can be forced upon our students. Instead, it is something that must be cultivated through a variety of means. This is why we offer a range of **extracurricular activities, such as sports, music, and drama**, to help our students find their passions and develop their talents. We also encourage our teachers to create **engaging and interactive lessons that make learning fun and exciting**.

Ultimately, our goal is to create an environment where our **students feel happy, valued, and supported**. We believe that when children are happy, they are more likely to become good citizens who contribute positively to their communities. As we move forward into **the month of November**, let us all remember the importance of happiness in the lives of our students and continue to work towards creating a school culture that **fosters joy and positivity**.

With heartfelt gratitude and warmest regards,

WORKSHOP ON ILLUMINATING THE HAZARDS OF SUBSTANCE USE

"In the pursuit of a fulfilling life, remember: substance abuse is not an escape; it's a detour leading to shadows that obscure the brilliance of your potential."

In a dedicated effort to nurture informed and responsible citizens, our school hosted a powerful workshop targeting **Grades VI to XII**, focusing on the grave repercussions of substance use. The event brought together students and educators in a collective commitment to raise awareness about the dangers of drug abuse. Led by expert speakers, the sessions covered various facets of substance abuse, emphasizing physical, mental, and social consequences. The active participation of our students reflects their commitment to shaping a safer and healthier future. Through initiatives like these, **Brookfield International School** continues to underscore the transformative power of education for change, emphasizing that knowledge is a potent tool for creating a positive impact on society.

SPECIAL MORNING ASSEMBLY

"The environment is not a gift from our ancestors but a loan from our children. Let us strive to repay it with a legacy of conservation, sustainability, and a thriving planet for generations to come."

In a commendable effort to promote environmental consciousness, awareness of the ills of social media and various other themes, the students of **BFIS** organize a captivating **Special Morning Assembly** every week. They feature engaging activities to raise awareness about sustainability, environmental conservation and social issues. The performances aim to underscore the significance of adopting sustainable practices in our daily lives and the urgent need for environmental conservation. **BFISians** are encouraged to take proactive steps to create a positive impact and contribute to a sustained future. They conclude with a challenging General Knowledge Quiz. The quiz aims to test students' knowledge and curiosity and promote awareness about our planet's environmental challenges.

"Cricket: where every ball spins a story, and every shot paints a masterpiece on the canvas of the field.

In an exhilarating display of cricket prowess, **Brookfield International School** witnessed a heart-pounding **T20** clash between the **Green House and Red House teams** on **October 26th, 2023**. Kudos are for both teams, whose outstanding performance showcased their sportsmanship and highlighted their remarkable cricketing talent. It was an incredible match that left spectators on the edge of their seats, and **Red House** was declared the winner. The dedication and commitment of our students to the game were evident throughout, reflecting the spirit of true champions.

PERSONALITY DEVELOPMENT SESSION GRADES III TO V

"Unlocking potential, shaping character: A personality development workshop is the canvas where self-discovery paints the masterpiece of one's growth and resilience."

On the 25th of October 2023, our school hosted a noteworthy psychological session centered on personality development, catering to students in Grade III to V. The school enlisted the expertise of the esteemed psychologist, Ms. Amandeep Memhi, who orchestrated an engaging and enlightening session for the young learners. The students exhibited a palpable eagerness to participate, showcasing their enthusiasm and a genuine thirst for knowledge. Ms. Memhi's session proved to be nothing short of extraordinary, leaving an indelible impact on the students. The interactive nature of the session facilitated personal growth, providing the students with invaluable insights into the intricate realm of personality development. This event marked a significant occasion where the school's commitment to holistic education and the students' receptiveness to learning were both prominently showcased.

DUSSEHRA CELEBRATIONS

'In the light of Dussehra, let us not only celebrate the triumph of good over evil but also carry the essence of righteousness in our daily lives.'

On **October 23, 2023**, **Brookfield International School** celebrated **Dussehra** with a mesmerizing Ramleela performance featuring **Grade V** students in the spotlight. Dressed as iconic characters, they delivered an enchanting show that vividly captured the essence of the epic tale. What added a unique touch to this event was the collective joy, as students from **Grades Pre-nursery to XII** immersed themselves in the spectacle, exemplifying the unity within the school. To bring the cultural celebration to its zenith, **Hon'ble Founder Principal Dr Jay Kumar Singh**, with a flame of symbolism, ignited the effigy of Ravana. In this act, the victory of good over evil was vividly portrayed, leaving an enduring impression on all those present on this momentous day.

INTER HOUSE RANGOLI COMPETITION

"Each stroke of colour in a Rangoli-making competition is a brushstroke of culture, and every design is a testament to the kaleidoscope of creativity that unites us in celebrating tradition and artistic expression."

On **October 29, 2023**, a spectacular **Rangoli Competition** unfolded at **Brookfield International School**, featuring the creative prowess of our **Grades VI to VIII students**. The event showcased a vibrant tapestry of artistic talents, elevating the school's atmosphere with a burst of colour and tradition. The participating houses demonstrated a remarkable amalgamation of creativity and dedication as meticulously crafted intricate designs. Beyond being a competition, this event served as a beautiful celebration of our rich cultural heritage. The intricate patterns and vibrant colours woven into the Rangoli designs illuminated the school with a sense of tradition and artistic brilliance. As we reflect on this memorable occasion, the anticipation for more culturally enriching future events resonates throughout the school community.

PARENT-TEACHER MEETING

"In the symphony of education, Parent-Teacher Meetings are the harmonious notes that compose a collaborative melody, fostering a bridge of understanding for the holistic development of every child."

We are delighted to share the success of our recent **Parent-Teacher Meeting** held on **October 14th!** The event provided a valuable opportunity to connect with parents and engage in meaningful discussions about their child's academic journey. Throughout the meeting, we delved into our students' assessments and progress reports. Witnessing their dedication and effort in their studies was genuinely heartening, reflecting a collective commitment to academic excellence. As a reminder, we believe in the power of small, consistent progress as it accumulates into significant results over time. Our commitment to helping your children reach their full potential remains steadfast. A heartfelt appreciation goes out to all our engaged and supportive parents. Together, we can achieve remarkable milestones and ensure every student's academic success and growth.

HEALTH AND HYGIENE WORKSHOP

“Empowering young minds with the tools of hygiene is the first step towards a healthier future. The recent workshop at Brookfield International School ignited a sense of responsibility, making cleanliness a cornerstone of their well-being.”

The health and hygiene workshop left a lasting impact on its young participants. The engaging presentation, accompanied by colourful slides, held the children's attention, while practical demonstrations made the lessons on handwashing and oral hygiene enjoyable and memorable. The workshop instilled in the kids a newfound commitment to personal cleanliness and a deeper understanding of its crucial role in maintaining good health. This event was a pivotal step in cultivating a culture of well-being among the school's young learners.

TEACHER'S ADDRESS

Dear Students, Parents,

Education is not merely the transmission of knowledge but a transformative journey that shapes our students' character, intellect, and future.

Our school is not just a building but a haven of learning where young minds are nurtured, and dreams are cultivated. At the heart of this endeavour is our dedicated faculty, who serve as mentors, guides, and role models.

We encourage open communication and partnership to ensure our students' best learning environment. Together, we create a community that fosters intellectual curiosity, personal growth, and a lifelong love for learning.

SUSTAINABLE DEVELOPMENT GOALS ACTIVITIES

"In the pursuit of sustainability, education becomes the catalyst, and hands-on learning transforms students into guardians of our planet, ready to shape a future rooted in responsible environmental stewardship."

Championing a greener future, students at **Brookfield International School** embraced an eco-conscious journey. From **Grades III to VIII**, they actively delved into hands-on learning, gaining insights into responsible waste management and the pivotal role of segregating biodegradable materials. Through engaging activities, they now possess the knowledge and passion to champion eco-friendly practices, contributing to sustainable consumption and production (SDG 12). **Let's applaud their dedication to forging a greener, more sustainable world!**
